Can't get the information to stick in memory? Then this is the book for you. Written by a student for students, this advanced guide to revision techniques aims to convert your hard work into GCSE, A-level and undergraduate exam success. The author achieved straight A*'s at GCSE and A-level and is now a psychology undergraduate at the University of Oxford. This combination of current practical experience and interest in psychological research provides a unique perspective on motivation and memory - the two ingredients of successful revision.
